Dr. Patricia Swaintek-Lamb

Breathe Easy:

Integrating Airway Considerations with Clear Aligner Treatment

Please join us for this insightful and engaging presentation by Dr. Patricia Swaintek-Lamb. Explore the critical intersection of airway health and clear aligner therapy in modern orthodontic treatment. It highlights the growing recognition of airway issues in dental practice and how they can be addressed alongside aesthetic and functional concerns using clear aligner technology.

1 CE Credit

Learning Objectives:

- **Identify Malocclusion:** Help the learner identify Malocclusion, what causes it, and options for treatment
- **Airway issues:** Help the learner identify airway issues during our routine dental exams, consider options for treatment and communicate with the patient.
- **Treatment principles:** Help the learner identify and execute foundational concepts for treating airway/tmd issues via clear aligner therapy.
